AN EXCITING YEAR-ROUND DESTINATION

Discover an area steeped in history with a contemporary edge, just five minutes' drive from downtown Napier. New apartments sit alongside tiny old fishermen's cottages, industrial warehouses and woolstores with distinctive saw-tooth rooflines. Enjoy Ahuriri's rich cultural heritage, check out world-class examples of Art Deco architecture and savour the modern-day delight of our historic fishing village.

FROM BOHEMIAN TO BUSINESS

There's a unique mix of places where you can buy artwork, indulge in beauty therapy, take home the ingredients for an Italian feast, post a letter or buy a bunch of fresh flowers. Many diverse businesses are based in Ahuriri, so you can also consult a lawyer or an accountant, get some printing done or talk to other providers of professional services.

EAT, DRINK AND BE MERRY IN AHURIRI

With more than 20 cafés and restaurants in Ahuriri, you'll never go hungry. Enjoy a quiet brunch in a quaint café, grab some fish and chips for a picnic on the beach, go out for drinks on the waterfront with friends or indulge in a five-course formal dinner at a stylish restaurant. When it comes to gourmet choices, it's hard to beat Ahuriri!

WALK, CYCLE OR SIT BACK AND RELAX

For a relaxing stroll, wander along the seaside boardwalk, taking in the panoramic view of the Pacific Ocean. Along the way you'll see kids fishing, boats unloading their catch, runners enjoying the invigorating sea air and swimmers or the occasional surfer making the most of the waves. There's also the estuary and its protected birdlife to enjoy, or one of the many cycle tracks that pass through Ahuriri.
